BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:**SECTION 1.**

Code Section 50-13-4 of the Official Code of Georgia Annotated, relating to procedural requirements for adoption, amendment, or repeal of rules, emergency rules, limitation on actions to contest rules, and legislative override, is amended by revising subsections (f), (g), and (i) as follows:

"(f)(1) In the event a standing committee to which a notice is assigned as provided in subsection (e) of this Code section files an objection to a proposed rule prior to its adoption and the agency adopts the proposed rule over the objection, the rule may be considered by the branch of the General Assembly whose committee objected to its adoption by the introduction of a resolution for the purpose of overriding the rule at any time within the first 30 days of the next regular session of the General Assembly. It shall be the duty of any agency which adopts a proposed rule over such objection so to notify the presiding officers of the Senate and the House of Representatives, the chairmen of the Senate and House committees to which the rule was referred, and the legislative counsel within ten days after the adoption of the rule. In the event the resolution is adopted by such branch of the General Assembly, it shall be immediately transmitted to the other branch of the General Assembly. It shall be the duty of the presiding officer of the other

branch of the General Assembly to have such branch, within five days after the receipt of the resolution, to consider the resolution for the purpose of overriding the rule. In the event the resolution is adopted by two-thirds of the votes of each branch of the General Assembly, the rule shall be void on the day after the adoption of the resolution by the second branch of the General Assembly. In the event the resolution is ratified by less than two-thirds of the votes of either branch, the resolution shall be submitted to the Governor for his or her approval or veto. In the event of his or her veto, the rule shall remain in effect. In the event of his or her approval, the rule shall be void on the day after the date of his or her approval.

(2) In the event each standing committee to which a notice is assigned as provided in subsection (e) of this Code section files an objection to a proposed rule prior to its adoption by a two-thirds' vote of the members of the committee who were voting members on the tenth day of the current session, after having given public notice of the time, place, and purpose of such vote at least 48 hours in advance, as well as the opportunity for members of the public including the promulgating agency, to have a reasonable time to comment on the proposed committee action at the hearing, the effectiveness of such rule shall be stayed until the next legislative session at which time the rule may be considered by the General Assembly by the introduction of a resolution in either branch of the General Assembly for the purpose of overriding the rule at any time within the first 30 days of the next regular session of the General Assembly. In the event the resolution is adopted by the branch of the General Assembly in which it was introduced, it shall be immediately transmitted to the other branch of the General Assembly. It shall be the duty of the presiding officer of the other branch of the General Assembly to have such branch, within five days after the receipt of the resolution, to consider the resolution for the purpose of overriding the rule. In the event the resolution is adopted by two-thirds of the votes of each branch of the General Assembly, the rule shall be void on the day after the adoption of the resolution by the second branch of the General Assembly. In the event the resolution is ratified by less than two-thirds of the votes of either branch, the resolution shall be submitted to the Governor for his or her approval or veto. In the event of his or her veto, the rule shall remain in effect. In the event of his or her approval, the rule shall be void on the day after the date of his or her approval. If after the thirtieth legislative day of the legislative session of which the challenged rule was to be considered the General Assembly has not considered an override of the challenged rule pursuant to this subsection, the rule shall then immediately take effect.

(g)(1) Subsection (f) of this Code section shall not apply to the Environmental Protection Division of the Department of Natural Resources as to any rule for which, as part of the notice required by paragraph (1) of subsection (a) of this Code section, the director of the division certifies that such rule is required for compliance with federal statutes or regulations or to exercise certain powers delegated by the federal government to the state to implement federal statutes or regulations, but paragraph (2) of this subsection shall apply to the Environmental Protection Division of the Department of Natural Resources as to any rule so certified. As part of such certification, the director shall cite the specific section or sections of federal statutes or regulations which the proposed rule is intended to comply with or implement. General references to the name or title of a federal statute or regulation shall not suffice for the purposes of this paragraph. Any proposed rule or rules that are subject to this paragraph shall be noticed separately from any proposed rule or rules that are not subject to this paragraph.

(2) In the event the chairperson of any standing committee to which a proposed rule certified by the director of the division pursuant to paragraph (1) of this subsection is assigned notifies the director that the committee objects to the adoption of the rule or has questions concerning the purpose, nature, or necessity of such rule, it shall be the duty of the director to consult with the committee prior to the adoption of the rule."

"(i) This Code section shall not apply to any comprehensive state-wide water management plan or revision thereof prepared by the Environmental Protection Division of the Department of Natural Resources and proposed, adopted, amended, or repealed pursuant to Article 8 of Chapter 5 of Title 12; provided, however, that this Code section shall apply to any rules or regulations implementing such a plan."

SECTION 2.

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

SECTION 3.

All laws and parts of laws in conflict with this Act are repealed.
